Mr Tee

$\text{♩} = 100$

The score is written for a drum set in 4/4 time, marked at a tempo of 100 BPM. It consists of six systems of staves, each containing a different drum part. The first four systems (Snareline, Tenorline, Bass Drums, and S.Dr.) are grouped together. The last two systems (T. Dr. and B. Dr.) are grouped together. Each system includes rhythmic notation (stems and heads) and stick patterns (R for right, L for left) below the staff. The score is divided into measures by bar lines, with repeat signs (double slashes) indicating where a pattern repeats. The first system starts with a dynamic marking of *f*. The second system has a measure rest (double slash) in the second measure. The third system has measure rests in the second and fourth measures. The fourth system has measure rests in the second and fourth measures. The fifth system has measure rests in the second and fourth measures. The sixth system has measure rests in the second and fourth measures. The seventh system has measure rests in the second and fourth measures. The eighth system has measure rests in the second and fourth measures. The ninth system has measure rests in the second and fourth measures. The tenth system has measure rests in the second and fourth measures. The eleventh system has measure rests in the second and fourth measures. The twelfth system has measure rests in the second and fourth measures. The thirteenth system has measure rests in the second and fourth measures. The fourteenth system has measure rests in the second and fourth measures. The fifteenth system has measure rests in the second and fourth measures. The sixteenth system has measure rests in the second and fourth measures. The seventeenth system has measure rests in the second and fourth measures. The eighteenth system has measure rests in the second and fourth measures. The nineteenth system has measure rests in the second and fourth measures. The twentieth system has measure rests in the second and fourth measures. The twenty-first system has measure rests in the second and fourth measures. The twenty-second system has measure rests in the second and fourth measures. The twenty-third system has measure rests in the second and fourth measures. The twenty-fourth system has measure rests in the second and fourth measures. The twenty-fifth system has measure rests in the second and fourth measures. The twenty-sixth system has measure rests in the second and fourth measures. The twenty-seventh system has measure rests in the second and fourth measures. The twenty-eighth system has measure rests in the second and fourth measures. The twenty-ninth system has measure rests in the second and fourth measures. The thirtieth system has measure rests in the second and fourth measures. The thirty-first system has measure rests in the second and fourth measures. The thirty-second system has measure rests in the second and fourth measures. The thirty-third system has measure rests in the second and fourth measures. The thirty-fourth system has measure rests in the second and fourth measures. The thirty-fifth system has measure rests in the second and fourth measures. The thirty-sixth system has measure rests in the second and fourth measures. The thirty-seventh system has measure rests in the second and fourth measures. The thirty-eighth system has measure rests in the second and fourth measures. The thirty-ninth system has measure rests in the second and fourth measures. The fortieth system has measure rests in the second and fourth measures. The forty-first system has measure rests in the second and fourth measures. The forty-second system has measure rests in the second and fourth measures. The forty-third system has measure rests in the second and fourth measures. The forty-fourth system has measure rests in the second and fourth measures. The forty-fifth system has measure rests in the second and fourth measures. The forty-sixth system has measure rests in the second and fourth measures. The forty-seventh system has measure rests in the second and fourth measures. The forty-eighth system has measure rests in the second and fourth measures. The forty-ninth system has measure rests in the second and fourth measures. The fiftieth system has measure rests in the second and fourth measures. The fifty-first system has measure rests in the second and fourth measures. The fifty-second system has measure rests in the second and fourth measures. The fifty-third system has measure rests in the second and fourth measures. The fifty-fourth system has measure rests in the second and fourth measures. The fifty-fifth system has measure rests in the second and fourth measures. The fifty-sixth system has measure rests in the second and fourth measures. The fifty-seventh system has measure rests in the second and fourth measures. The fifty-eighth system has measure rests in the second and fourth measures. The fifty-ninth system has measure rests in the second and fourth measures. The sixtieth system has measure rests in the second and fourth measures. The sixty-first system has measure rests in the second and fourth measures. The sixty-second system has measure rests in the second and fourth measures. The sixty-third system has measure rests in the second and fourth measures. The sixty-fourth system has measure rests in the second and fourth measures. The sixty-fifth system has measure rests in the second and fourth measures. The sixty-sixth system has measure rests in the second and fourth measures. The sixty-seventh system has measure rests in the second and fourth measures. The sixty-eighth system has measure rests in the second and fourth measures. The sixty-ninth system has measure rests in the second and fourth measures. The seventieth system has measure rests in the second and fourth measures. The seventy-first system has measure rests in the second and fourth measures. The seventy-second system has measure rests in the second and fourth measures. The seventy-third system has measure rests in the second and fourth measures. The seventy-fourth system has measure rests in the second and fourth measures. The seventy-fifth system has measure rests in the second and fourth measures. The seventy-sixth system has measure rests in the second and fourth measures. The seventy-seventh system has measure rests in the second and fourth measures. The seventy-eighth system has measure rests in the second and fourth measures. The seventy-ninth system has measure rests in the second and fourth measures. The eightieth system has measure rests in the second and fourth measures. The eighty-first system has measure rests in the second and fourth measures. The eighty-second system has measure rests in the second and fourth measures. The eighty-third system has measure rests in the second and fourth measures. The eighty-fourth system has measure rests in the second and fourth measures. The eighty-fifth system has measure rests in the second and fourth measures. The eighty-sixth system has measure rests in the second and fourth measures. The eighty-seventh system has measure rests in the second and fourth measures. The eighty-eighth system has measure rests in the second and fourth measures. The eighty-ninth system has measure rests in the second and fourth measures. The ninetieth system has measure rests in the second and fourth measures. The hundredth system has measure rests in the second and fourth measures.
